The screenshot shows the NetBeans IDE 8.0.2 interface. The top menu bar includes File, Edit, View, Navigate, Source Refactor, Run, Debug, Profile, Team, Tools, and Help. The top toolbar contains icons for file operations and running. The left sidebar shows the Project Explorer with a tree structure of source packages, libraries, and test packages. The main editor window displays the source code of Modul11.java, which includes a license header, package declaration, and a main method. The bottom status bar indicates 'Finished building Modul11 (run)'.
